MEMORANDUM

TO: CCRPA Agency Board
FROM: Transportation Improvement Committee
FOR AGENDA: April 1, 2010
DATE: March 25, 2010

SUBJECT: Approval of STIP/TIP Amendment on Project 0170-2776 – Surface Transportation Program Funds for Engineering / Scoping and Project Development – Statewide.

This project was initiated in 2007 for the Bureau of Engineering to review corridor studies at times when a project number is not yet assigned, prior to preliminary engineering, and with the intended result being the establishment of projects from corridor studies recommendations. The total requested for this statewide project was \$150,000 (\$120,000 Fed, \$30,000 State), using STP - Anywhere Program funds. This project was sent to every region for their endorsement last month. Questions came in as to the purpose of this project, and upon review, it was determined that this project was no longer needed and should not have been sent out. Therefore, ConnDot is now asking that this project be removed from the program.

On March 25, 2010 the Transportation Improvement Committee reviewed the STIP/TIP Amendment on Project 0170-2776 and to allow continued progress on this work, and all state TIP projects, it is our
